

Okaloosa County COVID-19 Vaccination Clinic Tips

Before you appointment

1. Complete Vaccine Screening and Consent Form. This can be found at www.HealthyOkaloosa.com. If you are unable to print, you can fill one out at your vaccine appointment. This form is REQUIRED. Please ensure you fill out the form completely including name, date of birth, phone number and signature on back. You do not need to fill out your insurance information on the form.
2. Review DOH Privacy Practices and factsheet about the vaccine you are receiving. These can be found at www.HealthyOkaloosa.com.

When you arrive

1. Do not arrive more than 15 minutes early for your appointment. By using appointments, this will decrease wait times. Arriving an hour or more early will cause delays and backups.
2. Stay in your car the entire time.
3. Wear a short-sleeve shirt and remove any jackets when you arrive.
4. Wear a mask.
5. Bring your government issued ID. You MUST be able to provide proof of residency/employment in Florida. Health care workers, K-12 school employees, sworn law enforcement officers, and firefighters must provide proof of employment. Your ID will be verified at the site. If you do not have your ID, proof of residency/employment OR do not meet the eligibility criteria, you will not be able to get the vaccine.
6. You will stop at various checkpoints to check IDs and verify paperwork before you get the vaccine. Please follow staff directions and stop when requested to do so.

After your appointment

1. For your second dose you will be given a reminder card. You will return to the same location at the same time as your first appointment on the date of your reminder card. You will not need to register again for a second dose if you received your first dose by DOH-Okaloosa.
2. After you receive your shot, you will park in a designated area to be monitored for at least 15 minutes.
3. Please note: You will need to complete a second screening and consent form for your second dose.

Reminder! Return for a second dose! ¡Recordatorio! ¡Regrese para la segunda dosis!
