FORT WALTON BEACH, Fla.— The Florida Department of Health in Okaloosa County (DOH-Okaloosa) has lifted a health advisory for Mills Bayou in Ft. Walton Beach. Sampling of the waters in that area have resulted in bacterial levels below the advisory level.

For more information about the potential health effects of wastewater overflow, residents and visitors are encouraged to contact DOH-Okaloosa at (850) 833-9247 or visit www.HealthyOkaloosa.com.

About the Florida Department of Health

The department, nationally accredited by the [Public Health Accreditation Board](#), works to protect, promote and improve the health of all people in Florida through integrated state, county and community efforts.
