- Provide Healthy Okaloosa Newsletters for students, staff, and families.
- Support your Healthy School Team to maintain compliance with the OCSD Wellness Policy.
- Provide HOS semester reports on your school's progress on the OCSD Wellness Policy.
- Assist in completing your Healthy School Team Monitoring Tool.
- Assist with health resource identification and development.
- Offer 5210 student educational lessons and content.
- Publicly recognize HOS partners.
- Provide technical assistance as needed.

Healthy Okaloosa Schools partner agrees to:

- Submit an action plan for **at least one** sustainable school-based wellness goal that supports healthy activities and/or lifestyles.
- Implement **at least one** school-based wellness goal that supports healthy activities.
- Implement **at least one** parent engagement activity that provides health education.
- Implement **at least one** whole-school activity that promotes healthy lifestyles.
- Work with DOH-Okaloosa staff to complete your semester reports and Healthy School Team Monitoring Tool.
- Submit a media release form stating DOH-Okaloosa has permission to document the school's activities toward promoting childhood health and wellness.
- Complete the HOS evaluation survey at the end of the school year.

I affirm my support of the Healthy Okaloosa Schools Initiative and my school's participation in the 2021-2022 HOS certification period.

Principal Initials

I understand the purpose of DOH-Okaloosa's request for media release is to document the successful activities and changes made toward healthier school environments in Okaloosa County. Proof of implementation may be documented by providing photographs of displays/events at the school, a schedule of events, or printed educational materials.

Principal Initials

I understand that my school must request permission to use the Healthy Okaloosa 5210 logo. We affirm to only use the Healthy Okaloosa 5210 logo. No other 5210 logos found online or otherwise will be used.

Principal Initials

I understand that school personnel must be present when DOH-Okaloosa representatives facilitate a presentation and/or an activity. School staff must implement behavior management when needed.

Principal Initials

I understand my school's participation in the Healthy Okaloosa School Initiative is voluntary; however, I will provide a 30-day written notice of my intent to end partnership with DOH-Okaloosa to avoid scheduling conflicts and unnecessary travel to my school location.
